The screenshot displays a web-based course selection interface. On the left, a vertical sidebar menu contains the following items: 选课信息 (Selected Course Information), 推免申请 (推免申请), 基本信息 (Basic Information), 考试信息 (Exam Information), and 成绩信息 (Grade Information). The main content area is titled "已选课题简介" (Selected Course Introduction). Below this title, there are two input fields: "课题名称:" (Course Name) with the value "test1", and "课题英文名称:" (Course English Name). The main area below is a grid of course options, each with a checkbox and a course name. The grid is partially obscured by a large, semi-transparent red watermark that reads "2025". On the right side of the grid, there are several vertical panels containing additional information, including a list of course numbers and names, and a section with a red border and a white background containing the text "2025".
